Martin Capital Advisors Receives Performance Awards

(San Antonio, Texas)--- Martin Capital Advisors, LLP (MCA), a registered investment advisor with offices in San Antonio and Austin, Texas, has been recognized as a top money manager by Lipper Market Place and Informa Investment Solutions' Planned Sponsor Network (PSN), two leading money manager performance databases.

In the World's Best Money Manager rankings published by Lipper Market Place, the performance of the *MCA Flexible Growth Portfolios* composite over the past three years was the best out of 118 investment products in the asset class U.S. Diversified/Multi-cap Growth & Value Equity. Lipper awarded the *MCA Flexible Growth Portfolios* composite a total of 7 *World's Best Money Managers* rankings across different asset classes and time periods ranging from three to ten years.

The firm also was awarded 14 *Top Guns* rankings, including recognition as a “Bull and Bear Master” by PSN. The awards were for the investment performance of the *MCA Flexible, Balanced, and Conservative Portfolios* in the past year, three years and five years ending December 31, 2012.

MCA was founded by Paul Martin in 1989. The firm manages investment portfolios for individuals and institutions. The performance of the firm's investment portfolios over the past two decades have often been ranked at or near the top of all diversified investment strategies.

* Lipper Market Place's *World's Best Money Managers* and PSN's *Top Guns* rankings are awarded quarterly. Lipper Market Place rankings are determined net of all fees. PSN rankings are gross of all fees. *Top Guns* rankings are awarded quarterly for the top ten investment portfolio composites in designated investment universes for periods from three months to five years. PSN and Lipper Market Place information is intended for use by qualified investment professionals. Please consult with an investment professional before making any investment using content or implied content from these rankings. **Past performance does not guarantee future results. There is a possibility of loss.**
