Martin Capital Advisors LLP (MCA), a money-management firm with offices in San Antonio and Austin, has been recognized in Lipper MarketPlace's Best Money Managers.

The MCA Flexible Growth Portfolios composite was ranked first out of 564 investment products in the asset class U.S. growth and value equity for the three years ended Sept. 30. It had a three-year annualized return of nearly 21.9 percent.

In addition, the MCA Flexible Growth Portfolios composite appeared in the rankings for 10 other asset classes in time periods ranging from one to 10 years.

MCA also earned 14 “Top Guns” rankings from Informa Investment Solutions' Planned Sponsor Network database for the investment performance of the MCA Flexible, Balanced and Conservative portfolios. The rankings for the 12 months, three years and five years ended Sept. 30.

MCA is headed by Paul Martin.
