What is Best Money Managers (BMM)?

BMM a comprehensive survey of institutional money managers' performance that is published quarterly. All rankings in this publication have met the following requirements:

- Performance must be calculated "net" of all fees and brokerage commissions. This means after all fees and commissions have been deducted;
- Performance must be calculated inclusive of all cash reserves;
- Performance results must be calculated in U.S. dollars, that is, from the perspective of a U.S.-based investor;
- Performance results must be calculated on an asset base which is at least \$10 million in size for traditional" U.S. asset classes (equity, fixed income, balanced accounts) or at least \$1 million in the case of international and "alternative" U.S. asset classes;
- The classification of the product must fall into one of the categories, which we rank. We only publish rankings for categories/time period combinations for which we have at least 20 contenders.
